

# Five Little Squirrels

Fingerplay

Five little squirrels sat under a tree.

(5 fingers outstretched, other hand over them to resemble a tree)

The first little squirrel said, "What do I see?"

(thumb raised, look around)

The second little squirrel said, "I smell a gun."

(index finger raised, sniffing)

The third little squirrel said, "Let's all run."

(third finger raised)

The fourth squirrel said, "Let's hide in the shade."

(fourth finger raised)

The fifth little squirrel said, "I'm not afraid."

(fifth finger raised, boasting)

Bang went the gun, and away they all ran.

(hands quickly behind back)
