

Bubbles Are Floating

Song

(Tune: "Are You Sleeping")

Bubbles are floating, bubbles are floating,
Up so high, up so high,
Floating up above us, floating up above us,
In the sky, in the sky.

Grass is growing, grass is growing,
All around, all around,
Growing round about us, growing round about us,
On the ground, on the ground.

Kites are flying, kites are flying,
Soaring high, soaring high,
Flying up above us,
flying up above us,
Through the sky, through the sky.
