

# The Eensy, Weensy Spider

Song/Fingerplay

The eensy, weensy spider  
climbed up the waterspout.  
(Walk fingers up in the air.)

Down came the rain  
and washed the spider out.  
(Drop hands quickly down.)

Out came the sun  
and dried up all the rain.  
(Make circle out of hands.)

So the eensy, weensy spider  
climbed up the spout again.  
(Walk fingers up in the air.)
