

The Little Bunny

Fingerplay

Once there was a little bunny
(Use middle and index fingers to make ears.)

And a green, green cabbage head.
(Make fist of other hand.)

“I think I’ll have some cabbage,”
The little bunny said.
(Fingers nibble at fist.)

So he nibbled and he nibbled,
And he pricked his ears to say,
(Wiggle two fingers.)

“I think I’ve had enough now.
I’ll go hopping on my way.
(Make fingers hop.)
