

# Five Little Chickadees

Action Poem

(All children chant lines. Five children stand in front and one by one fly away according to the line. Then children “fly” back to their seats. All wave their arms during chanting of the chorus.)

Five little chickadees,  
Peeping at the door.  
One flew away  
And then there were four.

Repeat—four, three, two, one, none

Chorus: Chick-a-dee, chick-a-dee  
Happy and gay  
Chick-a-dee, chick-a-dee  
Fly away.
