

Zoo in the Park

Action Song

(Tune of Mulberry Bush)

Here we go to the zoo in the park,
The zoo in the park, the zoo in the park;
Here we go to the zoo in the park so early in the morning.
(March in place or around the room.)

This is the way the elephant walks,
The elephant walks, the elephant walks;
This is the way the elephant walks so early in the morning.
(Join hands and swing arms in imitation of elephant's trunk.)

This is the way the big bear walks,
The big bear walks, the big bear walks;
This is the way the big bear walks so early in the morning.
(Imitate lumbering walk of bear.)

This is the way the kangaroo hops,
The kangaroo hops, the kangaroo hops;
This is the way the kangaroo hops so early in the morning.

(Continue with other animals—the rabbit hops,
the penguin walks, etc.)
